

Call for Participation

We invite you to join us in **11th International Conference on Cryptography and Information Security (CRIS 2025)**

This conference will provides a forum for researchers who address this issue and to present their work in a peer-reviewed forum. It aims to bring together scientists, researchers and students to exchange novel ideas and results in all aspects of cryptography, coding and Information security. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the following areas, but are not limited to.

Highlights of CRIS 2025 includes:

- 12th International Conference on Computer Science and Information Technology (CoSIT 2025)
- 12th International Conference on Artificial Intelligence and Applications (AIAPP 2025)
- 12th International Conference on Cybernetics & Informatics (CYBI 2025)
- 6th International Conference on Natural Language Processing and Machine Learning (NLPML 2025)
- 11th International Conference on Data Mining and Applications (DMA 2025)
- 11th International Conference on Software Engineering (SEC 2025)
- 6th International Conference on Big Data (CBDA 2025)
- 12th International Conference on Signal and Image Processing (SIGL 2025).
